History of LX Hausys

The parent company of LX Hausys is Lucky Chemical, established in 1947 and now known as LG Chem. Since its founding, the company has grown through the development of innovative construction materials and cutting-edge technologies. Building on this foundation, LG Hausys was launched in 2009. Following the spin-off of the LX Group, the company was renamed LX Hausys in 2021. Today, LX Hausys manufactures a diverse range of high-quality interior building materials for both residential and commercial spaces, continuing its legacy of innovation and excellence in the industry.

About LX Hausys America

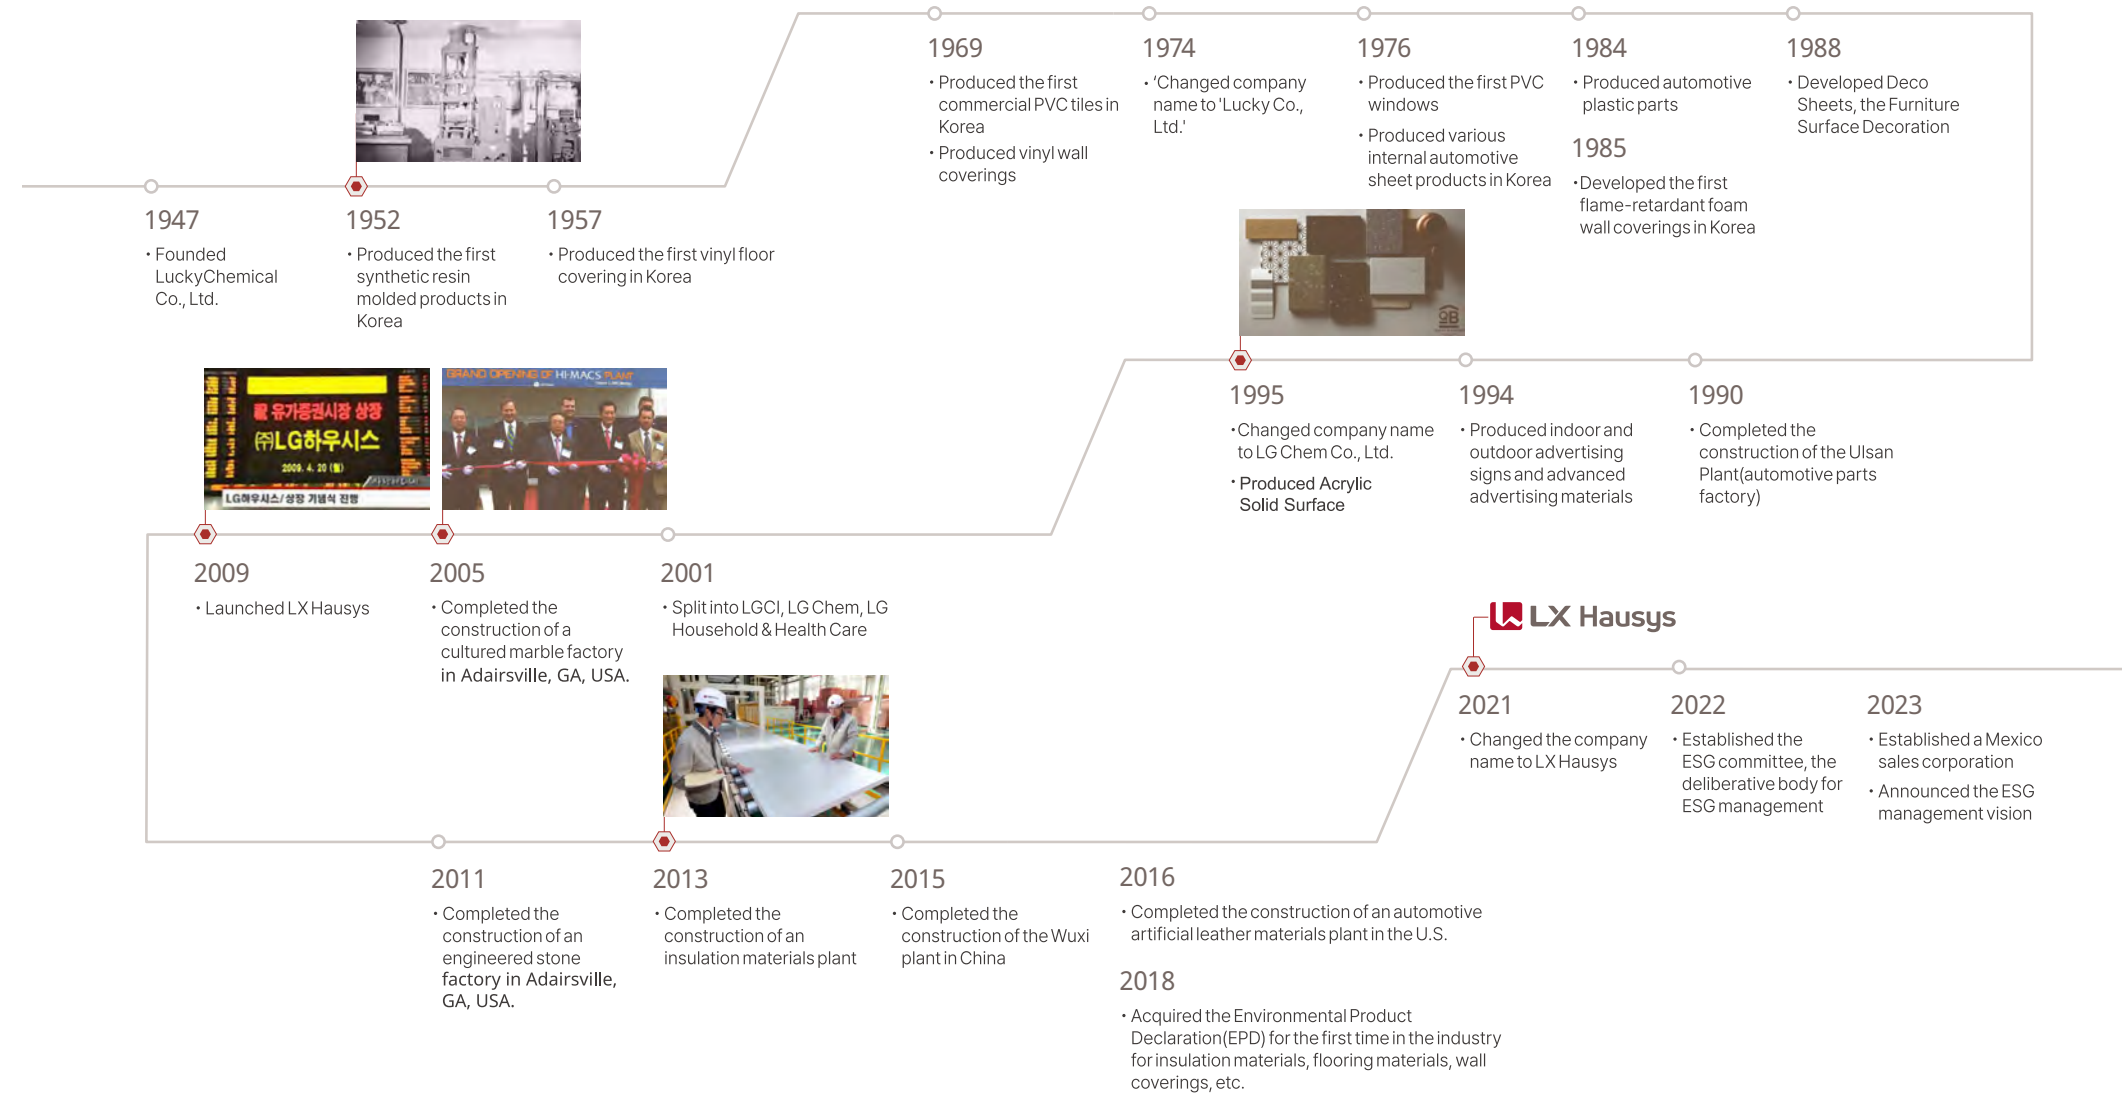

LX Hausys America, Inc. is a part of Korean-based LX Hausys Ltd., one of the world's leading providers of building and decorative materials, employing more than 4,300 employees spanning the globe. Headquartered in Atlanta, GA, LX Hausys America uses the industry's most advanced technology to design beautiful and functional spaces with eco-friendly and sensible products. LX Hausys America's business lines include surface materials, flooring, premium panel, and automotive components.

VIATERA

VIATERA 2025 New Colors

© Featured color: (VIATERA) Splendor

2025 New: Splendor

VIATERA

Inspired by nature and the gentle flow of wind and air, Splendor is the essence of sophisticated elegance. Bold and highly detailed golden veins in various thickness move gracefully in a naturally fluid diagonal pattern across a soft white base, evoking the look of premium marble. Luxurious, full of depth, and with an unmistakable aesthetic, Splendor can be the perfect accent or the ideal statement for any interior space needing a look of tranquil refinement.

2025 New: Mistica

VIATERA

If a touch of mysterious beauty is what you’re desiring, Mistica is your muse. A harmonious blend of taupe and white veins intricately weaves across a white, warmly undertoned base. Subtle delicate lacing in soft whites and earthy browns add enhanced dimension, creating an invitingly realistic effect. With its layered hues and mesmerizing aesthetic, Mistica conveys understated warmth and a touch of intrigue for any interior space.

Collection: Masterpiece
Finish: Polished Finish
Size: 63” x 130”
Thickness: 2 cm, 3 cm

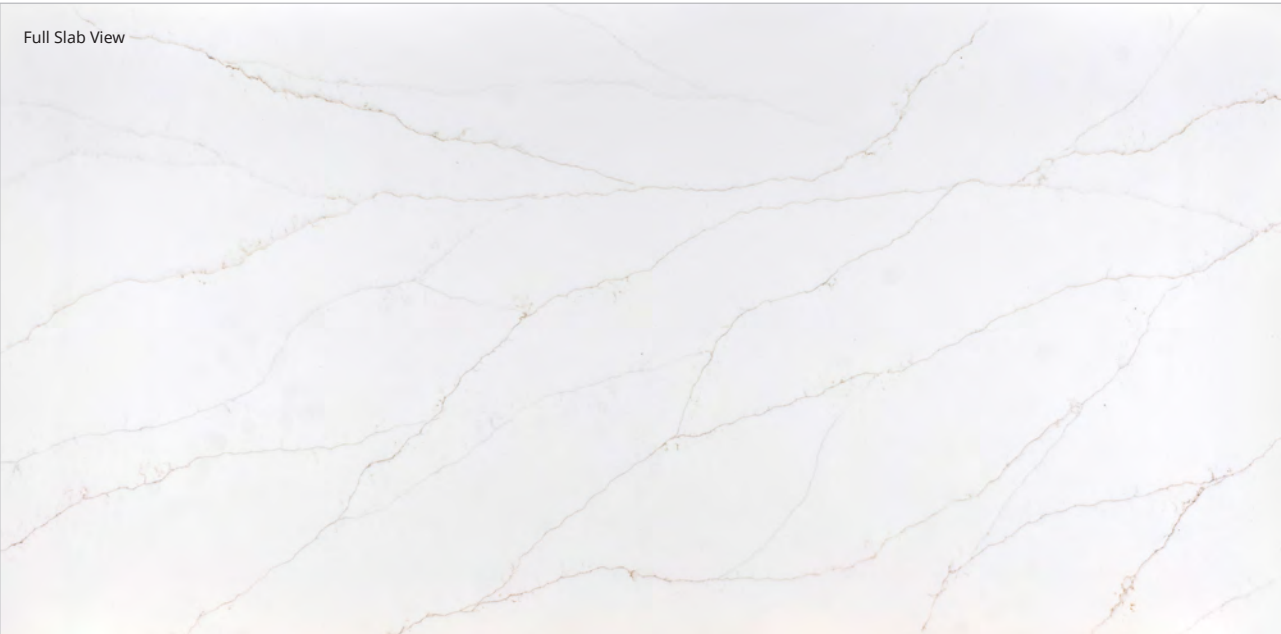

2025 New: Delicato

VIATERA

Delicato enchants and soothes the senses with its soft, welcoming appearance. A graceful blend of intricate gold and gray veining sets the look. As the veins delicately spread across a pristine, off-white surface, they finely fade in and out, revealing subtle movement and a look of quiet sophistication. Expertly mimicking the unique depth of marble, Delicato easily complements any number of designs, making it a versatile surface that captures attention without overwhelming.

Collection: Masterpiece
Finish: Polished Finish
Size: 63” x 130”
Thickness: 2 cm, 3 cm

2025 New: Velo

VIATERA

Velo exudes modern elegance. Jagged gray veining is set against an off-white expanse, as intersecting veins vary in intensity producing a realistic marble-like appearance with gentle movement and depth. Cloud-like, subtle gray marbling fills in the background, imparting a layered effect and a soft, romantic mood. Reminiscent of classic Carrara marble, Velo’s elegant aesthetic pairs beautifully with other interior design elements.

Collection: Masterpiece
Finish: Polished Finish
Size: 63” x 130”
Thickness: 2 cm, 3 cm

2025 New: Dorato

VIATERA

Warmth and style meld together effortlessly with Dorato. Drawing cues from VIATERA’s Etude color, Dorato’s visually rich look comes from its layered and jagged veins in taupe and golden-brown hues. Set against an off-white base, the subdued veining pattern sublimely flows across the surface, extending a sense of calm and serenity that accentuates its warm color palette. Dorato’s natural charm will embrace you, leaving a timeless and charismatic appeal.

Collection: Masterpiece
Finish: Polished Finish
Size: 63” x 130”

Bringing Tranquility to your kitchen

This beautifully balanced kitchen blends modern sophistication with organic warmth to create a relaxing, tranquil environment. The VIATERA Splendor countertops and backsplash offer an elegant focal point with their flowing veining and luminous white surface. The rich tones of Bright Walnut cabinetry add depth and natural character, while the HFLOR CraftedWood DuneMist flooring enlivens the space with its soft, inviting texture. Thoughtfully designed with clean lines and refined finishes, this kitchen embodies a serene and timeless aesthetic, perfect for both relaxed daily living and elevated entertaining.

Kitchen

- 1 (VIATERA) Velo
- 2 (HFLOR) WoodHaven 7762 Elk Horn

Organic Refinement

Blending nature's textures with contemporary appeal, this kitchen achieves a graceful balance between modern and organic design. The VIATERA Velo countertops and backsplash, distinguished by bold gray veining on an off-white canvas, offer striking visual depth. The intersecting veins vary in intensity, creating a realistic marble-like appearance with soft movement and depth. Subtle, cloud-like gray marbling imparts a layered effect, adding to the space's serene and romantic ambiance. Paired with the warm tones of HFLOR WoodHaven Elk Horn flooring and light wood cabinetry, the design achieves a perfect balance of organic warmth and refined luxury.

Kitchen

- 1 (VIATERA) Dorato
- 2 (HFLOR) CraftedWood 1926 Sun Drenched Wood
- 3 (LX Hausys Panel) STN01
- 4 (LX Hausys Panel) SSM01

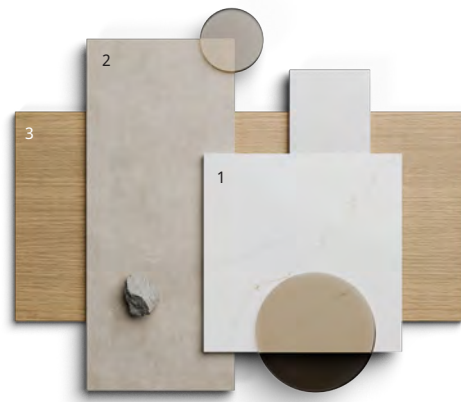

Warm Minimalism

Natural textures and soft neutrals define this inviting and sophisticated kitchen space which beautifully showcases the essence of Warm Minimalism. The VIATERA Dorato countertops and backsplash, with their subtle golden veining, introduce a touch of understated luxury. Beneath them, the HFLOR CraftedWood Sun Drenched Wood flooring enhances the charming warmth of the design, complementing the balanced contrast of the Swan White and Milky Oak cabinetry. Thoughtfully curated details and organic accents complete the look, creating a space that feels both refined and comfortable.

Kitchen

- 1 (VIATERA) Delicato
- 2 (HFLOR) CraftedClay 6386 Travertine
- 3 (LX Hausys Panel) STN03

Serene Modern Kitchen

A perfect blend of nature-inspired design and contemporary vision, this elegantly modern kitchen displays warmth and sophistication. VIATERA Delicato countertops, with their soft white base and delicate veining, extend gracefully into a waterfall island, creating a sleek, inviting focal point. Rich Oak wood cabinetry adds an organic touch, while subtle textures—woven barstools, pendant lighting, and the HFLOR CraftedClay Travertine flooring—enhance the space's refined simplicity. The soft, neutral tones of the flooring, both durable and comfortable under foot, provide a natural foundation that effortlessly complements the kitchen's light, airy aesthetic.

Kitchen

- 1 (VIATERA) Mistica
- 2 (HFLOR) CraftedWood 1912 Tobacco Oak
- 3 (LX Hausys Panel) SSM09

Effortless Harmony : A soothing Kitchen Space

This welcoming kitchen brings a joyful blend of warmth and tranquility, where timeless charm meets modern elegance. The VIATERA Mistica countertops and backsplash, with their soft veining and bright, luminous surface, create an unmistakable focal point. The organic look of the sage, hazy green cabinets combine with natural wood accents, revealing an earthy and harmonious vibe. The HFLOR CraftedWood Tobacco Oak flooring's expressive graining and texture adds depth and anchors the design, reinforcing a soothing and inviting atmosphere.
