

H·FLOR

Stage for life

Bringing Spaces Together with Award-winning Design

HFLOR ForestFusion Has Earned Its Third Design Recognition

ForestFusion with TrueMatte™ combines wellness, durability, and award-winning design to support the WELL™ Building Standard principles. Nature-inspired visuals and calming ultra-matte textures foster biophilic connections that help reduce stress and enhance the occupant experience. Engineered for long-term performance, TrueMatte™ resists stains, scratches, and scuffs—delivering lasting beauty while contributing to healthier, more sustainable environments.
